December 09, 2014

The Honorable Board of Supervisors County of Los Angeles 383 Kenneth Hahn Hall of Administration 500 West Temple Street Los Angeles, California 90012

Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS COUNTY OF LOS ANGELES

18 December 9, 2014

ACTING EXECUTIVE OFFICER

TERMINATION OF FACILITY ANCILLARY
SERVICES MASTER AGREEMENT FOR DEFAULT
(ALL DISTRICTS – 3 VOTES)

SUBJECT

Termination of a facility ancillary services master agreement with Apex Waste Systems, Inc., for default.

IT IS RECOMMENDED THAT THE BOARD:

Terminate the facility ancillary services master agreement (Agreement Number I104056) with Apex Waste Systems, Inc., in whole, for default.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On March 3, 2009, your Board approved the Facility Ancillary Services Master Agreement (FASMA) and authorized the Director of ISD to execute agreements with new vendors, as they become qualified. On May 18, 2009, ISD utilized its delegated authority to execute FASMA Number I104056 with Apex Waste Systems, Inc. (Apex), to provide rubbish removal services. On October 1, 2009, ISD awarded Apex a purchase order (PO Number MA-IS-1040178-19) for rubbish removal services. Apex was contracted to provide services at 140 facilities countywide.

In recent months, Apex has repeatedly failed to provide rubbish removal services as scheduled at several County facilities, including parks, juvenile detention facilities, and fire stations. Attachment 1 provides a list of occurrences of non-compliance in the past several months. The County has

The Honorable Board of Supervisors 12/9/2014 Page 2

provided Apex with several notices of its failures to provide rubbish removal services, as contractually required.

On October 14, 2014, ISD sent written notification to Apex of its intent to terminate Apex's master agreement and subordinate purchase order, for default, upon approval by your Board, due to Apex's failure to provide rubbish removal services in accordance with the purchase order and Section 3.0 of the FASMA.

Due to Apex's continued failure to provide services as contractually required, ISD proceeded with actions to ensure minimal interruptions or gaps in these critical services. ISD reviewed the most recent bids for these services and awarded purchase orders for rubbish removal services to the second lowest bidders for locations under agreement with Apex. This resulted in an overall annual decrease of \$7,028 compared to Apex's prices.

ISD recommends that your Board terminate the agreement with Apex pursuant to Section 8.43, Termination for Default, due to Apex's failure to provide rubbish removal services in accordance with the purchase order and Section 3.0 of the FASMA. The termination will be effective the day following Board action.

Implementation of Strategic Plan Goals

The recommended action supports County Strategic Plan Goal Number 1 (Operational Effectiveness) by ensuring the timely delivery of customer oriented and efficient public services.

FISCAL IMPACT/FINANCING

The facilities serviced by Apex were added to several existing contractors under FASMA, at a lower overall cost to the County, resulting in an annual net decrease of \$7,028. As indicated in Attachment 2, the annual costs for certain facilities have increased and will be absorbed within the current budget of the affected departments, including Fire Department, Department of Health Services, and Department of Parks and Recreation. Where costs increased, it is not expected that these increases will have a material impact on departmental operating costs.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On March 3, 2009, your Board approved a master agreement for facility ancillary services, effective April 1, 2009, for three (3) years with three (3) two-year extension options, and authorized the Director of ISD to execute agreements with new vendors, as they become qualified. On May 18, 2009, ISD utilized its delegated authority to execute FASMA Number I104056 with Apex to provide rubbish removal services. On

October 1, 2009, ISD awarded Apex a purchase order for rubbish removal services.

Due to Apex's continued failure to provide services as contractually required by the FASMA and subordinate purchase order, ISD recommends that your Board terminate the agreement with Apex pursuant to Section 8.43, Termination for Default, with a finding that Apex has materially breached this agreement. The specific contractual provision that was violated is identified in Attachment 3.

With the approval of the recommended actions by your Board, ISD intends to move forward with a debarment action against this contractor.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Termination of Apex's master agreement will not have a negative impact on the current services.

CONCLUSION

The Executive Office of the Board of Supervisors is requested to return one stamped copy of the approved Board letter to the Director of ISD.

Respectfully submitted,

JIM JONES

Director

CONTRACTUAL VIOLATION

3.0 WORK

- 3.1 Pursuant to the provisions of this Master Agreement, the Contractor shall fully perform, complete and deliver on time, all tasks, deliverables, services and other work as set forth herein.
- 3.2 Each Purchase Order shall include a Statement of Work, which shall describe in detail the particular project and the work required for the performance thereof. Payment for all work shall be on a time and materials basis, subject to the Total Maximum Amount specified on each individual Purchase Order.
- 3.3 If Contractor provides any task, deliverable, service, or other work to County that utilizes other than approved Contractor Personnel, and/or that goes beyond the Purchase Order expiration date, and/or that exceeds the Total Maximum Amount as specified in the Purchase Order as originally written or modified in accordance with sub-paragraph 8.1, Amendments, these shall be gratuitous efforts on the part of Contractor for which Contractor shall have no claim whatsoever against County.
- 3.4 County procedures for issuing and executing Purchase Orders are as set forth in this sub-paragraph 3.4. Upon determination by County to issue a Purchase Order solicitation, County shall issue a Purchase Order solicitation containing a Statement of Work to all Master Agreement Qualified Contractors. Each interested Qualified Contractor contacted shall submit a bid to the County address and within the timeframe specified in the solicitation. Failure of Contractor to provide a bid within the specified timeframe may disgualify Contractor for that particular Purchase Order.
- 3.5 Upon completion of evaluations, County shall execute the Purchase Order by and through the Internal Services Department staff with the lowest cost Qualified Contractor unless the Purchase Order solicitation specifies bid evaluation criteria other than lowest cost. It is understood by Contractor

that County's competitive bidding procedure may have the effect that no Purchase Orders are awarded to some Master Agreement Qualified Contractors. Purchase Orders are usually issued for periods not extending past the end of County's current fiscal year (June 30th) with the exception of Purchase Orders for as needed services on a time and material basis, which may be issued to correspond with the term of the Master Agreement. However, at such time the Purchase Order is only extended through the end of the fiscal year, County may either rebid the Purchase Order tasks or extend the Purchase Order if technical or cost circumstances require it.

- 3.6 County estimates that selection of any Contractor shall occur within five (5) business days of completion of the evaluations of the particular Purchase Order bids. Following selection, all Contractors selected must be available to meet with County on the starting date specified in the Purchase Order. Inability of Contractor to comply with such commencement date may be cause for disqualification of Contractor from the particular Purchase Order as determined in the sole discretion of County's Project Director.
- 3.7 In the event Contractor defaults three times under sub-paragraph 3.6 within any 12-month period, then County may terminate this Master Agreement pursuant to Sub-paragraph 8.43, Termination For Default.
- 3.8 Contractor shall be responsible for monitoring and controlling the number of hours worked, and more particularly the resulting dollar value of chargeable services performed by Contractor personnel assigned to individual time and material Purchase Orders. Contractor shall be solely responsible for payments to Contractor personnel for excess hours worked resulting in charges exceeding any total maximum amounts stated on the face of a Purchase Order.
